To:
Clerk, **district court of the United States**
333 Constitution Avenue, NW
Washington, DC 20001

Dear Clerk,

On May 4, 2012, the Notary Public, an officer of the State who receives mail for me, handed me the original and the copy of the Complaint with exhibits that were mailed via registered mail to the above noted Court but were returned to me. Regarding your letter therewith:

Take NOTICE that I do **not** have a residence address. This issue is explained in detail in the Complaint. I receive all correspondence by and through a Notary Public, as set forth above. I believe this is preferable to using *general delivery* at a particular Post Office, which is the other alternative.

FURTHER, my Complaint **was** double spaced, therefore I do not have a clue as to why the box was checked and the sentence highlighted which stated: "Your complaint **must** be double spaced". If there was a problem determining where the Complaint ended and the Exhibits began, I have added a side tab to the reddish-colored paper separating the sections as additional demarcation.

FURTHER, a "CIVIL COVER SHEET" is **NOT APPLICABLE**.

- This case is brought by one of the people on the land to be filed in an Article III court only.
- This case is for Breach of Fiduciary Duty by *public officers* who are bound to support the Constitution, and the Laws of the United States which shall be made in Pursuance thereof, pursuant to Article VI sections 2 and 3.
- This case is for violation by public officers of prohibitions set forth in Article I, section 10, clause 2 of the Constitution and Article the Fifth in addition to, and Amendment of the Constitution of the United States of America.

I expect the Court will forthwith issue the Summonses enclosed herewith, said Summonses being proper in all respects.

Lastly, the Constitution of The state of Wisconsin, *to which the Congress of the United States of America consented*, states that one "ought to obtain justice freely, and without being obliged to purchase it". Therefore I tender your demanded payment under **protest** as being unlawfully imposed. Enclosed you will find two POSTAL MONEY ORDER(s), *tendered under protest*, the first one being "Pay to" in the amount of forty six *dollars* which I had previously sent to the Clerk and which is already indorsed "For Deposit Only" by the Court, and the second being "Pay to" in the amount of three hundred four *dollars*, for a total of three hundred fifty *dollars*.

Thank you for your prompt attention to this matter.

Sincerely,

Steven Alan Magritz
