Dear Adam Y. Gerol,

I have just been given your letter dated August 30, 2011, which you alleged to be "in response" to my letter dated August 22, 2011.

I think I understand what you "said" in your communication. I believe you were telling me that you know there are crimes going on in my case but you are not going to do anything about it because these are public officers/government officials.

Adam Y. Gerol, as a public officer and **fiduciary of the Public Trust**, has a **fiduciary duty and obligation** to me, Steven Alan Magritz, **to display good faith, honesty, and integrity**.

You made it very clear to me that you understand that there were crimes committed, and whether you kept evidence of it or not it was done by public officers/government officials and probably nothing is going to happen because *you public officers protect each other*.

As an interested party, and Victim, Non-attorney, Witness:

Steven Alan Magritz, victim and witness of crime
