Re:
**Informant's Report of Felonies Cognizable by a Court of the United States,
Reported Pursuant to 18 U.S.C. § 4**

Dear Matthew D. Krueger,

18 U.S. Code § 4 Misprision of felony:

“Whoever, having knowledge of the actual commission of a felony cognizable by a court of the United States, conceals and does not as soon as possible make known the same to some judge or other person in civil or military authority under the United States, shall be fined under this title or imprisoned not more than three years, or both.”

The attached Informant's Report is herewith filed with you and the office of the United States Attorney for the appropriate legal / lawful action consistent with your office and your obligation as a fiduciary of the Public Trust as evidenced by your required oath of office to support the Constitution of The United States of America, a/k/a the “United States”.

Judges are NOT above the law

Lynn S. Adelman, dba federal judge, covered up and concealed, thus condoned the criminal acts and retaliation against a victim and witness of crime by a state court judge. Adelman knowingly, purposely, intentionally concocted, fabricated, made-up, manufactured a non-existent “state court rule” to “justify”, on procedural grounds, his denial of habeas corpus. Further, Adelman fabricated false “statements of fact” to conceal and bolster his made-up “rule”.

Sincerely,

By: _____ Agent, dba STEVEN ALAN MAGRITZ
