Dear Mr. Magritz:

I am responding to your letter of November 4, 2011. Over the years I have responded to other similar letters.

To be clear, this office has no intention to investigate your allegations. Based on my own personal knowledge, there is no basis for concluding that Mr. Kenealy committed any crime. The only person who committed any crime was yourself for which you were convicted.

This office will not be taking any action on your request. I also again remind you to avoid conduct that may violate Wisconsin law.

Sincerely,

Roy R. Korte
Assistant Attorney General
Director, Criminal Litigation,
Antitrust & Consumer Protection Unit
